WELCOME TO POWDERLY.

The State Knights of Labor Give Him a Reception.

Yesterday morning at 10 o'clock the state assembly of Knights of Labor met in Foresters' hall, at No. 30 Canal street, with State Master Workman Henry J. Allen of Schoolcraft in the chair. The following committees were appointed and the assembly then adjourned until this afternoon at 1:30 o'clock.

Credentials—Libbie T. Veneklaase, Grand Rapids; George H. Mannel, New Buffalo; Fred Sherman, Manistee. To Meet and Receive Grand Master Workman T. V. Powderly—Wm. Briggs, P. S. Becon, James Van den Berg, John Beckman, Nick Walsh, E. H. Thompson, Michael Minogue, Wm. Howe, Ed. Henderson.

The convention reconvened at 2 o'clock, and the committee escorted Grand Master Powderly from Sweet's hotel to the hall. Mr. Powderly was received with round after round of enthusiastic applause, and made a very encouraging address to the delegates. Committees on resolutions, by-laws, finance and grievances were appointed. A committee of three from the Iron Molders' union were present and were invited to state the grievances existing between them and the Grand Rapids school furniture company. The report will come up later in the session. Henry J. Allen of Schoolcraft read his report as delegate to the general assembly. The report was accepted and adopted.

The convention then took a recess until 9 o'clock this morning. In the evening a banquet and reception was tendered to Grand Master Powderly and the visiting delegates. About 300 Knights of Labor and invited guests were present, and the evening was thoroughly enjoyed by all. As it was necessary for most of the guests to be up early in the morning, the reception was not a long one, but it is safe to say that the evening's entertainment was one of the most thoroughly enjoyed of any that the guests ever attended.

FELL FROM HIS PERCH.

A High School Student Injured in the Gymnasium.

C. Van Rossum was seriously injured yesterday afternoon at the high school gymnasium while he was practicing on the trapeze. He fell, striking on his head and shoulders, and lay unconscious for some time. A neck was applied and he was taken to his home at No. 111 North Ionia street. He was unable to speak when he reached home and Dr. Barth was summoned to examine the extent of his injuries. It was found that his right wrist was fractured and severe bruises were discovered on his head and shoulders. Van Rossum is 15 years old and a pupil in the high school. His condition was somewhat better last evening.

RECEPTION AT THE Y. M. C. A.

A Large Gathering Enjoys a Unique Social.

About 200 members of the Y. M. C. A. attended the reception tendered by the association in its parlors last evening. The reception was planned by the directors of the association for the purpose of giving the new members an opportunity to become acquainted with each other and also with the older members. The plan adopted was a successful one, and it was the theme of

belonging nearly all present together in social conversation. As each member entered the room a card was attached to his coat button. The cards were numbered in pairs, one containing a question and the corresponding number being bearing the answer. Those having cards then began to search for the person having the card with his corresponding number, and when found a social conversation would ensue. Cards were frequently exchanged, thereby continuing the search for a new one. After this manner of procedure had become uninteresting, the cards were delivered to Secretary Ward, who read the questions and their answers to all present.

President Clay H. Hollister then made a brief address, explaining the work and character of the association, and several musical selections were rendered. The affair closed with light refreshments.

WILL PAY EIGHTY CENTS.

The Fidelity Loan Association Will Negotiate.

Chas. W. McGill, assignee of the defunct Fidelity Loan and Savings association, said yesterday that he expects confidently to pay 80 cents on the dollar of the association's indebtedness. One of his chief reasons for making the statement was that another valid claim had been discovered in Muskegon county.

The association's deed of assignment to Mr. McGill, as assignee, was filed with the county clerk yesterday, together with the list of creditors, inventory of assets and Mr. McGill's acceptance of the trust. The principal creditors as given in the list are: J. B. McBride, \$180; L. D. Wood, \$110; G. A. Reilly, \$210; J. M. Crane, \$110; W. A. Gunn, \$200; F. M. Lamkin, \$240; D. V. Watt, \$115; A. F. Bliss, \$115; C. F. Hearn, \$125; A. E. Porter, \$155; G. L. Roberts, \$200; George Hume, \$200; D. R. Meene, \$200; Bunker & Carpenter, \$200; J. Vanderhaar, \$200; H. A. Collier, \$350; John Snyder, \$160; J. P. Crosby, \$150; D. Z. Kline, \$170; Miss Grace Gier, \$170; C. H. Badman, \$180; G. W. Maxwell, \$180; O. A. Larson, \$160; C. W. Payne, \$130; John McDonald, \$500; Frank Fox, \$100; C. Rosen Rand, \$140; D. Vanbree, \$140; J. Ahnherder, \$140; L. Jenson, \$220; Grace Browning, \$480; R. N. Gould, \$110; F. J. Blake, \$110; John Snowberry, \$120; John Manta, \$100, and about 150 others in amounts ranging from \$1 to \$99.

The assets foot up \$5,164.79, and are all secured by mortgages on real estate except one unsecured claim against A. E. Yerex for \$294.89.

EASTERN STAR BANQUET.

Peninsular Chapter Will Feast at the Bridge Street House.

Peninsular chapter order of the Eastern Star will banquet at the Bridge street house Friday evening. All members of the order in the city have been invited to join in the festivities. It is the custom of this order to meet occasionally for social purposes. The members can at these gatherings be associated with their wives, daughters and sisters, and an opportunity is thereby afforded to keep them thoroughly acquainted with each other. The next social gathering is to be held at the Bridge street house by the invitation of Landlord Rice.

SIMPLY A CONTRACT.

The Grand Rapids School Furniture Company Has Not Sold.

The Grand Rapids School Furniture company denies that its plant has been sold to the United States School Furniture company of Chicago. The only foundation for the story published a few days ago was the fact that the company had contracted with the United States company at Chicago to furnish them with school seats for five years at a price agreed upon. The Chicago company will not manufacture a single seat, but will simply handle the product of the seat companies.
